## ABOUT THE PROJECT

The Chaplain Shorts are part of our ongoing drama series, The Chaplain — stories following Ezra Hughes, a former intelligence officer rebuilding his life and faith as a Police Chaplain.

Each short film reveals a pivotal moment in a character's journey, leading toward the full series.

We currently have four shorts entering post-production and four ready to film and complete, after which we'll move into festival submissions and distribution.

## HOW YOUR SUPPORT HELPS

- Complete editing and sound design
- Film the remaining short films
- Prepare for festivals and distribution
